20TH ANNIVERSARY OF THE
INTERNATIONAL CONGRESS ON
DERMATOLOGY AND PLASTIC
SURGERY ON THE CROSSROADS
OF EUROPE AND ASIA

ABOUT KOLKHIDA *2026*

Dear Colleagues, Distinguished Guests,

It is my great honor to welcome you to the 20th, anniversary Kolkhida Congress — a gathering that unites the brightest minds, the boldest innovators, and the most dedicated professionals in aesthetic and regenerative medicine.

When we created this platform 20 years ago, our vision was simple yet ambitious: to build a scientific space where knowledge is shared openly, innovation is celebrated, and new ideas are born through collaboration.

Today, Kolkhida stands as one of the leading international congresses — a place where tradition meets progress, where technique meets creativity, and where science becomes art.

I am deeply proud to welcome you to this year's edition. May these days inspire you, challenge you, and empower you to elevate your work even further.

Thank you for being part of Kolkhida — a community shaped by curiosity, passion, and the constant pursuit of excellence.
